1. Resolution approving generally the McCarran-Sumner Bill now before Congress.
2. An act or acts which will more adequately provide a fair compensation for judges.
3. Legislation improving the handling of juvenile delinquency.
4. A resolution to amend the Indiana Constitution so as to provide for the non-partisan election of judges.

Moved that the foregoing report of the Board of Managers be approved and adopted as the action of the Indiana State Bar Association. Resolution carried.

Be it resolved by the Indiana State Bar Association that the President of the Association appoint a special committee of seven members to hold office for one year, charged with the responsibility of developing, in cooperation with the law schools and local bar associations of the State and in cooperation with the American Bar Association and the Practising Law Institute, a program of "refresher courses" and readjustment assistance for members of the bar upon their return from military service. Said committee shall be known as War Readjustment Committee. Any proposal involving financial or official support from the Association shall be submitted to and acted upon by the Board of Managers which is hereby authorized to act for and on behalf of the Association.

Be it further resolved that said committee prepare and present to the Board of Managers before June 1, 1945, a plan setting forth a program of assistance by the members of the Association to the lawyers returning from military service.
